

We are excited to announce this year's keynote speaker,
Jimmy Casas!

Live Your Excellence Starting Today!

As educators, we must regularly ask ourselves: Have we grown complacent? Have we settled for the status quo? It's our job not to let average become the standard. When a classroom or school is in need of transformation, leadership is at its most critical and the fate of a school rests on its teachers and leader's ability to gain support. If you're the type of educator who wants to inspire greatness in everyone who passes through your classroom and school's halls, this presentation is a can't miss. You will learn what it takes to raise expectations for all students and staff, foster the belief in one's ability to achieve, and create an environment where everyone takes pride in supporting each other toward excellence!
