OASSA COMMITTEE GUIDELINES AND DESCRIPTIONS

The **Assistant Principals Committee** is designed to provide the Assistant Principal with a mechanism to relate to the total OASSA organization and as an instrument which can be used to meet the professional needs of the position. OASSA wishes to recognize the importance of the Assistant Principal's work and to promote the status of the position. The Assistant Principal is an integral part of OASSA, and the Assistant Principals Committee is charged with assisting in the planning and organization of the Assistant Principals Conference.

The **Fall Conference Planning Committee** is responsible for designing the agenda and determining topics/speakers for the annual Fall Conference.

The **Instructional Leadership Committee** is designed to emphasize, encourage, and promote positive relationships among building administrators, curriculum directors, supervisors, coordinators, career-tech administrators, ESC administrators, and all other school administrators involved in curricular decisions at local and state levels; to identify, develop and promote staff development opportunities and best practices; to survey membership to determine issues relative to curriculum leadership and respond accordingly; to provide information to be published in the OASSA UPDATE; to make recommendations to the

OASSA Board of Directors on educational positions of interest relative to this committee; to insure that OASSA maintains a focus on curricular leadership for all administrators.

The **Legislative Committee** is charged with the responsibility for designing and implementing the legislative positions of OASSA. It will develop an awareness of legislative expertise and procedure and cooperate with all organizations interested in the promotion of education in Ohio.

The **Middle Level Committee** is organized as an integral part of OASSA to develop the image and program of the middle and junior high school. OASSA recognizes that a large segment of the total membership has an interest in middle level education.

The **OHSAA/OASSA Principals Advisory Committee** meets with OHSAA Commissioner, Dr. Dan Ross, three times a year to discuss current Interscholastic athletic issues and provide feedback.
